Santa and elves win grand challenge

Santa Claus and a trio of green-suited elves swept their way to victory in the Elk Point Curling Club's first major bonspiel of the season this weekend. Marge Osinchuk and rinkmates Terry Heblethwaite, Patsy Zarowny and Elsie Quickstad wore their seasonable attire throughout the Ladies Open bonspiel, which attracted twenty rinks from as far away as Fort McMurray, Edmonton and Lloydminster.

The Osinchuk rink cinched their Grand Challenge with a six-ender in the seventh end of their final game against the Sylvia Moir rink from Lloydminster, to win the Elk Point Insurance and Realty trophies and portable television sets. The Moir rink took home ornate telephones, while jewellery cabinets went to the third place Janice Van Maaron rink, and cameras went to the fourth place "Clowns Inc." rink.

Two home-town rinks battled to the finish for the second event win, with Chris Shankowski, Donna Slywka, Barbara Anderson and Angie Ringuette defeating the Debbi Orr rink for the Capital Drugs trophies and sets of lightweight luggage. The Orr rink won sweaters, while the third place Shirley Maksymuk rink won sports bags and curling gloves, and the fourth place Stella Lorenson rink won curling irons.

The Empress Dining Lounge trophies and a quartet of electric griddles went to

third event winners Gail Hurtubise, Janice McCaffrey, Debbie Bury and Jody Parrott.

The Hurtubise rink defeated a visiting St. Paul rink skipped by Emma Trapp in the final game. The Trapp rink won coffee makers, with sets of glass cookware going to the Mildred Molyneux rink from Clandonald, winners of third place, and sets of trays going to the Terry Elliott rink in fourth place.

A carnival atmosphere persisted throughout the bonspiel, with numerous

costumed rinks adding to the fun. A quartet of orange-whiskered leopards, skipped by "Miss Mew", four rainbow-haired clowns, Raggedy Anne and Andy and their friends charmed the audience with their curling prowess, while even more costumed players joined in for the banquet and entertainment.

A rink of "Blooming Babies", complete with diapers, bibs and bottles, was judged 'best dressed' during the entertainment, winning out over red-suited devils, a pair of Mama pigs, an E.T.

lookalike and an Ewok, and some high-fashion models wearing the very latest hats!

A long-skirted foursome of babushka'd babas gave a humorous recitation on the perils of bonspielling, before they were tracked down by an equal number of gidos who "wanted to watch, but no men allowed".

A Cinderella-type story about the annual Curling Ball, complete with the ugliest pair of stepsisters ever seen in these parts, and a handlebar-mustachioed Uruguayan prince brought gales of

laughter to the wall-to-wall crowd of curlers.

Mistress of Ceremonies, Bernice Poleschuk, read a tale of woe from Santa, who sent along a gift for every curler, nonetheless. Mrs. Poleschuk also offered words of advice for all the skips, thirds, seconds and leads, with gifts presented to those fulfilling her lists of requirements.

Trophy and prize donors for the bonspiel were: Elk Point Insurance and Realty, Capital Drugs, Empress Dining Lounge, Terry's Hair Gallery, Wolanuk's Fashions and Foods, Stedmans, Phil's Hardware and Variety, Sears, Jor Ann Enterprises Ltd., Rhondaray Confections, and Mike's Jewellery (St. Paul).

Cash donors were: John Oryschuk Trucking, Porta Construction, Single Styles, B & R Transport, Elk Point Oilfield Service, BMW Monarch, Terry's Hair Gallery, Rod Mark, Jor Ann Enterprises Ltd., John Wozniak Texaco, Lakeland Oilfield Services, Elk Point Meat Processors, Elk Point Truss, Bumper to Bumper, Alico Restaurant, United Grain Growers and Alberta Treasury Branch.

HO, HO, HO — Bernice Poleschuk presents the Ladies Open Bonspiel grand challenge trophies to Santa and her elves (alias Marge Osinchuk, Terry Heblethwaite, Patsy Zarowny and Elsie Quickstad) on

behalf of Elk Point Insurance and Realty. Looking on are the second place rink, Charlotte Wilkinson, Sylvia Moir, Kelly-Anne Bykowski and Blanche Delaney of Lloydminster.

Buiding permits pass \$8 million

Elk Point's building permit value for 1985 climbed past the \$8 million mark during November, with eight new housing starts, one commercial and four industrial permits issued.

The eight houses now under construction bring the year's total to 45, this being the lion's share of 78 residential permits issued, with a total value of \$4,087,400.

There have been eleven commercial permits, fourteen industrial and five institutional permits issued this year. Two mobile homes were approved last month, bringing the year's total to 15.

The Town has received \$26,652 in permit fees to date.

Grand openings a sign of the times

A bumper crop of Grand Opening celebrations, along with a steady stream of businesses moving to larger premises, renovating, or changing ownership, is a sure indication of the current period of rapid growth Elk Point is experiencing.

This very week, we had Rhondaray Confections moving from their tiny premises between Watsons Sporting Goods and Wolanuk's Fashions and Foods to the former Dave's Pizza location, with their Grand Opening car-

rying on all week from the time they unlocked their new door on Sunday afternoon. The new store has a large display area for their video movies, a 'munchie den' for quick snacks and a snazzy, bright red arcade which should endear proprietors Beth Brooks and Mikki Wilson to every teenager in town.

Dave's Pizza has moved down the street to the shiny new building at the corner of 50th Ave. and Highway 41, with "Dave" himself and the Dave's Pizza beaver slated to

join owners Lloyd and Carol Metz for today's Grand Opening. The new restaurant is already bringing in good crowds of diners to sample the expanded menu and enjoy the bright and cheerful atmosphere.

One of this week's Grand Openings was in the Industrial Park. Quinn's Oilfield Supply Ltd., a pump manufacturer from Red Deer, opened their new Elk Point outlet on 46th Street yesterday.

Also opening today is the

new premises of Gerry's Clothing, a ladies wear shop offering elegance and style in a wide range of sizes. Their new address is right on the corner of 50th Avenue and 50th Street, in the Centre Point Mall, a larger and much more visible location than their former home behind CBM Confectionery.

Elk Point's bakery has changed both name and ownership, and is celebrating their Grand Opening on Saturday. Now called OK3 Bakery

Ltd., the local surveyors of oven-fresh bread and goodies have added a line of giftware to their sweet-smelling shop, where you can also sit down and enjoy coffee with your purchases on the spot.

The laundromat located next to the Barber Stylist Shop has also changed owners in recent weeks, and has added a much needed new service. New proprietor Billie Friesen is offering a drop-off-your-laundry service which is much appreciated by the boys from the oil patch, as well as by other busy individuals whose schedules allow no time to do the weekly wash. In addition, Mrs. Friesen runs a janitorial service.

A new real estate firm has also joined the Elk Point business community. JCF Home Realty of Bonnyville has opened an Elk Point branch, employing Louis Champagne and Floyd Falcon as salesmen. The new firm displayed their first show home in the North Subdivision last weekend, and expects to have a series of other new homes on display in coming months. Their office will be located in one of the homes for the present time.

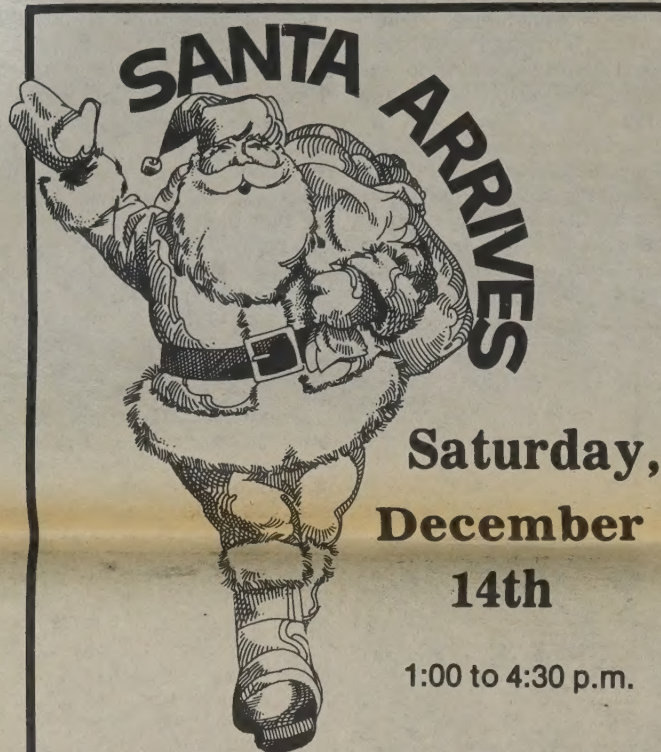

New construction in both the Industrial Park and along Highway 41, where the new Elk Point Gulf Service and Elk Point Burger Bar are nearing completion, signals that more Grand Openings are just around the corner, as the growing trend continues.

SECOND EVENT CHAMPIONS — receive the Capitol Drugs trophies from Bernice Poleschuk: (l-r) Christ Shankowski, Donna Slywka, Barbara Anderson and Angie Ringuette. In back row are second place finishers (l-r) Debbie Orr, Monique Penz, Susan Yakemchuk and Donna Lypka.

THIRD EVENT — Chris Shankowski presents the Empress Restaurant trophies to (l-r) Gail Hurtubise, Janice McCaffrey, Debbie Buryn and Jody Parrott. Placing second were (l-r) Emma Trapp, Ann Robinson, Lorraine Joly and Rose Pchelnik of St. Paul.

Musical birthday for Eleanor

The lilt of accordion music and the shuffle of dancing feet accompanied last Friday's Adventure Hour Celebration of Eleanor Bendixon's 62nd birthday at the Elk Point Hospital.

Doreen Youngmans was on hand to provide the entertainment, the lively music encouraging the staff and some of the more mobile patients to take to the floor for a few dances to the old favorite tunes.

The celebration concluded with Mrs. Bendixon blowing out the candles on her birthday cake, which was enjoyed by all present.

BIRTHDAY GIRL — Eleanor Bendixon gets a helping hand with her candlelit cake from Caroline Onusko.

Flames roast Elks

Goodfish Lake Flames roasted Elk Point Elks 14-8 Friday night, with the Flames' Mike Panase racking up four goals and Ben Houle snagging a hat trick.

Dan Houle scored two goals for the Flames, while Marvin Traverse, Fred Cardinal, Joe Halfe, Ronald Jackson and Brian Halfe contributed singles.

Allan Loughran was the Elk's top scorer with a pair, with one goal apiece scored by Ken Langdone, Gary Youngchief, Clayton Cross, Kerry Loughran, Ernie Poulin and newcomer Murray Scoggins. Willie Lesyk added three assists, with Victor Stepa adding two and Wayne Youngchief, Ken Langdone, Allan Loughran, Ernie Poulin and Murray Scoggins each assisting on one goal.

The first period saw four goals for each team packed into the last thirteen minutes of play as the two teams played an evenly matched game. In the second period, however, the Flames got too hot to handle, keeping the action away from their own net and slamming three shots past the Elks' goalie.

The third period saw non-stop onslaughts on both goals, with four goals for the Elks and seven for the Flames bringing the contest to a conclusion.

The Elks have a two week stretch of road games ahead of them, with their next home game scheduled for Friday, December 13.

Final grain stabilization

By Don Mazankowski
Member of Parliament

My colleague, the Honourable Charles Mayer, Minister of State for the Canadian Wheat Board, has announced a final payment of \$72 million under the Western Grain Stabilization Act, for the 1984-85 crop year. It is expected that the cheques will be in the mail before the end of November.

This brings the total payout for the 1984-85 crop year to \$522 million. An interim payment of \$450 million was made in April, the largest single payout since the Act was introduced ten years ago.

The federal government amended the Western Grain Stabilization Act in February to allow for payments before the close of any crop year. As a result, the major portion of the 1984-85 payment was made prior to spring seeding.

The Western Grain Stabilization Program is a voluntary plan,

cost-shared by the federal government and producers. It is designed to assist farmers when net cash flow falls below the average of the previous five years. Approximately 78 per cent of Prairie producers belong to the plan.

The House of Commons Agriculture Committee is currently reviewing the Act and will recommend what, if anything, needs to be done to make the program more responsive to producers' needs.

December, already?

December is here, and only three weeks left until the big day... Christmas.

Shopping, wrapping, cleaning, cooking, and a flurry of social events will keep us busy during the next twenty days, as we hurry to prepare for the celebration.

Let's give the gift of courtesy and good manners to those we meet, even if we are tired, in a hurry, or have sore feet from too much shopping. It only takes a second to hold a door open, and no time at all to greet people with a smile.

This year, let us not be in too big a rush to remember some very important gifts. First, let's remember to help others — those less fortunate than ourselves, even some whom we don't know. This includes sending away a cheque for the Christmas seals, putting food or gifts into the various hampers or bins for the needy, and dropping by to give the precious gift of our company to a

Lastly, let's not forget the most important people of all — ourselves. Let's not get so wound up in the hustle and bustle that we have no time to enjoy the holiday ourselves, or to reflect on the true meaning of Christmas.

Happy December, everyone!

Businesses booming

This week's nonstop round of Grand Openings is a sure indication of bigger and better things to come.

As Elk Point's business community grows, it will attract an ever-growing number of shoppers, diners, and those who require the goods and services now available. As more customers come to town, a need will be found for even more businesses, to fill their other requirements.

The new businesses also bring more people to Elk Point in the form of employees. These new residents will require housing, schools and services, which will in turn provide more jobs.

The 'ripple effect' is upon us, with no telling how far the circles could widen.

Welcome to Elk Point's business community, newcomers, and every good wish for success in your endeavors.

Doctor out

Our busy Doctor that we knew so well
And took for granted as the night
and day,
Has laid aside his stethoscope
and lance
Has closed his office door and
gone away.

Before this sudden new
emergency
Which he could not dismiss nor
yet delay,
The ready scalpel and the cunning
hand

Lie unresponsive to his will
today.
The multitudinous concerns of
life
The function of the gall, the
blood, the breath,
Recede before a weightier problem
now -
The ancient unsolved mystery of
death.

The body with its multiple
affairs,
The myriad laws which compass
it about,
No longer are of interest, for on
Life's door

Death countersigns, reads
bleakly
Doctor Out.

Author Unknown
I found the above poem,
carefully hand-printed by my
Uncle Harold Hobde., among his
papers, which it has been my
task to put in order since he passed
on last month. It seems to me
it must have struck him as very
touching, wherever he came
upon it, and I've thought to share
it with you all. There are indeed
some mysteries we cannot solve.

Cold caused cancellation

By Irene Magnusson

Tuesday night (November 26) was the scheduled monthly dance at the Pioneer Circle Hall in Elk Point, but old Jack Frost, in all his winter meanness, brought about a cancellation. Even the orchestra were against coming out in such bitter cold. And the seniors wouldn't have been happy heading home at -36 Celsius (that's 33 below zero Fahrenheit -

cold in any language!) after the ball was over.

All members are urged to attend the regular membership meeting, Tuesday, December 10th at 2:00 p.m. in the hall. Come on out and share your beefs or bouquets. The executive needs your support.

And do not forget the Christmas turkey-and-fixings supper and dance to follow in the

hall, December 17th, starting around 5:30 p.m. The piano may even get a work-out, so bring along your singing voices, and help make this a really jolly Christmas party - for after all, it is the Season to be jolly, right?

4-H'ers communicate with confidence

Dwayne Vogel of Elk Point represented the Elk Point 4-H Beef club at the 4-H Communication Festival held at Pigeon Lake on the weekend. Dwayne, along with 84 other 4-H delegates from the northeast & central regions honed their skills in public speaking, performing demonstrations and working co-operatively in small groups. The theme "Communicate with Confidence" emphasized the importance of assisting other club members to develop their personal skills. 4-H Communication Festivals are sponsored by Alberta Agriculture.

"It was a very worthwhile weekend, and I encourage every 4-H member to attend 4-H Communication Festival" says Dwayne.

PIONEER CIRCLE 'DO'S' — Are fun times, when young and old alike take part in the dancing.

F.C.S.S. News

On December 19, 1985 we will be holding a Christmas Open House at the F.C.S.S. Office from 2:00 p.m. to 4:00 p.m.. There will be coffee and goodies served. Everyone is welcome.

I would like to take this opportunity to wish everyone a Very Merry Christmas and good health and happy times with their families in 1986!

The F.C.S.S. office will close on December 24 at 2:30 and open

again on December 30, 1985.

We have a new project that we are most happy to announce. It is the Elks Community Van.

ELKS VAN — The Elk Point Elks have purchased a twelve seat Van for community organizations to use. If your club is planning any trips and would like to rent the van further information and bookings may be obtained at the F.C.S.S. Office, 724-3800.

Clandonald News

By Shirley Osinchuk
Clandonald Correspondent

Here we are in the season of Advent, with the weather, the media and our small children reminding us of how fast Christmas is approaching.

If your organization has a meeting or special event planned, please let me know in plenty of time to add it to the "News".

Kaye Dougan won the Nov. 25th draw of the Agricultural Society Lottery, just in time for Christmas shopping.

Thursday, Dec. 6, from 3:30 to 5:00 p.m., in the rink, is registration time for the skating program. After registration is completed there will be schedules of skating times and parent supervision times sent home from school.

Teen Fellowship went to Two Hills on Friday, Nov. 29 to join with the Two Hills and Myrnam groups. Next meeting will be in Myrnam on Friday, Dec. 6. All teams are invited to come. Contact Pastor Steve Elich at 853-4220 for information or for a ride. The Christmas Banquet for Teen Fellowship will be in Clandonald on Dec. 20 at 6:30 p.m.

Congratulations to the Vermilion Marauders Football Team on winning all the way to the Provincial Final. Maybe next year the weather will cooperate and let you play and win that final game. Several of the players are from our area: Ron Thronson, Brian DeJong, Dave Podhaniuk, Gord Harasiuk, Darrell Nowosad, Mike Podhaniuk, Alan Etherington and Shawn Nelson.

December's Fish and Game Meeting is the Annual Meeting. It is important that all members attend. Watch for notices of the date of meeting.

Friday, Dec. 13 at 7:30, will be the Bible Club Christmas Concert at the Bible Fellowship Church.

"Landonville Trails" books are still available from Fred Douglas at 853-2093 and Ed Lovell at 853-4643.

Enjoy your Christmas preparations, and take time to relax and remember what it all means to you.

Midget Hockey — It appears that the winning streak is more than dented. Vegreville won by a wide margin on Saturday, Nov. 23 in Elk Point, and on Sunday, the 24th, the team played in Bonnyville with the game going to Bonnyville, 8-6.

Two of the Elk Point Midgets are Ken and Darryl Pashulka from the Rusylvia area, about fifteen miles south of Elk Point. They go to school in Myrnam. Ken is seventeen and in Grade 12 and Darryl is fifteen and in Grade 10. Both boys played hockey in Dewberry until the fall of 1984, when there were no teams for them there. Last year Ken played in Elk Point and Darryl played in Vermilion. Darryl plays left-wing and wears number 14. Ken is right-wing wearing number 15.

The next games will be in Mannville at 7:30 p.m. on Saturday, Dec. 7 and in Elk Point on Saturday, Dec. 14 against Saddle Lake.

Come out and cheer the boys on. See you at the game!

6 ROW VARIETIES (tallest to shortest)
Johnston - 36.4; Conquest - 33.8; Argyle - 32.3; Klondike - 32; Leduc - 31.5; Diamond - 31.4; Bonanza - 30.5; Otal - 30; Empress - 28.6.

2 ROW VARIETIES (tallest to shortest)
Fairfield - 29; Klages - 28.5; Scout - 28.2; Harrington - 27.5; Abee - 26.4.
Note: Barley measured from ground level to bottom of barley heads.
(PLEASE NOTE)
The low bushel weights on all

varieties was due to climatic conditions, especially the early frosts.
The sample weights taken were uncleaned.
There was no significant difference between the vitavax treated and untreated varieties.
The yield difference less than 10% is not significant.
Because of the dry conditions in late summer and the early frosts we had in this area, the early maturing varieties Ex. (Otal), appeared to have yielded exceptionally well.
It appears the varieties seeded closer to the fence line yielded better because of more moisture due to snow build up during the winter.
This testing was a 1-year trial and should be used as a rough guide only. Moisture conditions will vary from year to year and soil types will vary, therefore you could expect different yield results depending on your location.
If there are any questions, please contact the Agricultural Fieldman at 645-3301 or District Agriculturalist at 645-6301.

Job strategy program

By Don Mazankowski
Member of Parliament

The federal government has replaced former training and job creation programs with a comprehensive new program entitled **CANADIAN JOBS STRATEGY**. The focus of the program is to prepare Canadians for dramatic changes in the labour market as we move towards the twenty-first century.

The new program differs from those in the past as it concentrates upon job training. Previous job creation programs were found to be inadequate and short-term in nature, emphasizing make-work projects that did not generate marketable skills or real employment opportunities.

Programs under the Canadian Jobs Strategy may be categorized:

Job Entry Program — helps establish new entrants to the labour force, especially school dropouts or women entering the labour force after a long absence.

Job Development Program — offers assistance to long-term unemployed individuals who need special assistance to get back to work. The program's goal is a departure from the short-term "make-work" pro-

jects of the past to provide workers with lasting skills to ensure permanent employment.

Innovations Program — encourages new ideas and supports projects testing new solutions to labour market problems.

Skill Investment Program — aimed at helping workers before they lose their jobs because of technological or economic change. The program assists the efforts of employers and workers to give people a chance to learn new skills in a variety of settings.

Skill Shortages Program — acknowledges that, even in times of high employment, some skills are in short supply. This program gives employers assistance in providing incremental training for new or current employees. Assistance is also available for unemployed persons who wish to be trained in shortage occupations.

I would urge all interested parties, be they employers who may be eligible for funding under employment training programs, workers wishing to expand their labour abilities, or the unemployed having difficulty finding suitable long-term employment, to contact my office, or the local Canada Employment Centre for further information.

I am becoming quite concerned over the number of vehicle thefts that are occurring in the Elk Point District. In each case the vehicle was left with the keys in it and several were left running on account of the cold weather. In all but one case the vehicles have been recovered, one after a high speed chase in St. Paul's area, one in the ditch with the driver completely intoxicated, and one suspected of being stolen by an impaired driver.

Leaving a vehicle with the

keys in it and or with the engine running and the doors left unlocked is just asking for trouble, it is an invitation for someone to come along and take off causing countless hours of investigation by numerous officers in numerous locations. This time could well be used on other things.

Consider also the ramifications of an impaired driver driving a stolen vehicle and him being involved in a serious injury or fatal accident involving some innocent person. I don't think anyone would like that on their

conscience, especially because they were too lazy to lock their car while it was warming up. Please take more care with your vehicles and at least lock it.

CRIME OF THE WEEK: Elk Point R.C.M.P. are looking for a 1980 Olds Delta 88, 4 door, light blue in color. Alberta license FWP 355, stolen from in front of the Empress Cafe, Elk Point, Alberta, on Thursday night, the 28th of November, 1985. Anyone who may have seen the vehicle or may know of its location, please contact Cst. Doug HUSKINS or Sgt. Jim FELL.

Heinsburg volleyball team wins Bronze at Provincial 2A tourney

The Heinsburg Eagles Senior High Volleyball team travelled to Picture Butte, last Thursday to represent the Northeast Zone in the Alberta Provincial Playdowns.

Other teams represented in the Zone competitions were Sylvan Lake (Central I), Devon (North Central), Rimbey (Central), Valleyview (Northwest), Picture Butte (South), Strathmore (South Central), and Taber St. Mary's (South).

The teams were placed in a round robin consisting of two pools, Heinsburg being with Taber St. Mary's, Valleyview and Rimbey. The result of their pool saw Taber St. Mary's emerge first and Heinsburg second. This put Heinsburg against the first place winner of the second pool, Sylvan Lake. The games ended with Heinsburg defeating Sylvan Lake 15-11 in Game One, but losing 5-15 & 11-15 in the following two games. This put Strathmore in the bronze match against Heinsburg who won 15-7 & 15-13 to capture the bronze. Heinsburg being a 1A school competing against the much larger 2A High Schools

were satisfied with their placement and found the competition very rewarding.

The team members are grateful for the support they received from Sharkey's Bus Service, who provided a means of travel, the Frog Lake Band, Frog

Lake School Board & Recreation, County of St. Paul, Sputnikow Recreation Board, Heinsburg Community Club, and the Heinsburg Students Council for their assistance which made the trip possible to represent to North East Zone.

CABBAGE PATCH DRAW — Co-Op Cabbage Patch Birthday Party hostess Sandy Vermette holds the draw box as Tanya McLaughlin draws the names of the lucky winners, Hollie Blize and BJ Poulin. Leah Yakemchuk holds her own two Cabbage Patch Kids as she watches the draw. Approximately 50 children and their 'Kids' were in attendance at the party.

Peewees winning streak

Elk Point Co-Op Peewees continued their winning streak Saturday with an 8-3 victory over Grand Centre.

Both teams were shorthanded, with Elk Point missing their regular goalie, Curtis Porcina, and four other players, and Grand Centre having several injured players after a very rough game against Vegreville. Kevin Bates took over the netminding chore and should be commended for a job well done.

Under the excellent coaching of George Anderson, the Peewees put forward an effective team effort, especially noticeable in the passing aspect.

Goals were scored by Robin Yakemchuk (2), Chris Cameron (2), Lindsay Jenner, Brad Yakemchuk, Jim Onusko and David Meger, with assists provided by both Yakemchuk brothers, Cameron, Jenner, Onusko, Ken Hawrylyk, Norbert Bernard and Darcy McLaughlin.

Curling Club lottery

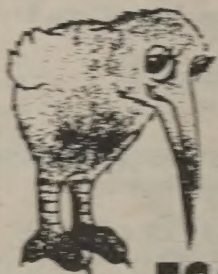

Elk Point Curling Club has announced their November lottery draw winners. Gail Havener was the lucky winner on November 1, with Jim and Millie Orr holding the November 8 ticket. Howard Meger won the November 15 draw, while Steve Woianuk won on November 22 and Anatole Pashulka on November 29.

C.G.I.T. news

By Michelle Theriault
Elk Point C.G.I.T. Group

On Saturday, Oct. 26, the Elk Point CGIT group attended a CGIT rally at Mannville with Vegreville and Glendon also attending.

Many topics were discussed after a singsong. One topic was alcohol and drug abuse, and another was on cults. There was a film shown on both areas and a discussion.

After a lunch of tacos, fruit and juice, the girls went to the gym and played volleyball. For a craft, memo holders were made in the form of animals. Later in the day the girls enjoyed a make-up demonstration, with some girls having their faces "made up" for their first time.

To end their day the girls ate a supper of fried chicken, and had a service. Most of the weary members slept on their long trip home but a good time was had by all.

By Lori Irvine

Last month the CGIT girls celebrated National CGIT Week by playing volleyball in the F.G. Miller High School gymnasium. We also had a cake made for us by one of our members. National CGIT Week was held from October 13-19th.

On October 19th, we washed dishes for the Lioness' "Ladies Night Out" and received a donation of \$15.

The next day October 20th, we were asked personally to participate in the church service by Reverend Sam Donaldson.

On November 5th we served supper for the U.C.W.'s Chicken Supper, which was a success.

On November 19th we watched a movie called "Children of the Corn" which was about cults.

Due to the very cold weather our meeting on November 26th was cancelled.

We would like to announce our 1985 Vesper Service to be held on December 17 at 7:30 p.m. Everyone is welcome.

CARD OF THANKS

The Dewberry Lion L'S would like to thank everyone who donated and helped to make the turkey supper A success. The total profit was \$1,435.86 and will go to the hall building fund.

Sass wedding anniversary

On November 3, 1985 Lilly and Sam Sass celebrated their 50th Wedding Anniversary at the Pioneer Centre in Elk Point.

The event was celebrated by a family pot luck dinner and open house for the rest of the afternoon. All four of the children, Lois (Walter) Yaremkevich of Elk Point, Jean (Joe) Ference of Elk Point, Ray (Eve) Sass of Edmonton and Stephen Sass of Edmonton along with 15 grandchildren and 10 great-grandchildren were in attendance.

Seated at the head table with Lilly and Sam were their original best man, Fred Yadach of Blackfoot, Alberta and bridesmaid Minnie Moneta of Elk Point. Unable to attend were their other best man, Frank Gusnowski of Edmonton and bridesmaid Kathleen Jacula of Edmonton.

Ray Sass, on behalf of the family, presented his parents with an album which included all the congratulatory messages received. He also presented a beautiful plaque from the County of St. Paul and numerous other gifts.

The anniversary celebration

was enjoyed by relatives and friends attending.

Recreation Corner

By Linda Simpson
Recreation Director

I'm back! To sum up the AR-PA Banff Programming Seminar, let me just say, "Br-r-r!" Despite the cold weather, recreation personnel from all across Alberta gathered to exchange ideas and learn of some new techniques of advertising, operating and evaluating recreation programs. I hope that this exposure will benefit programs in this area.

I got back just in time to see the "grant recipients" smiling faces in the paper. I hope everyone finds their acquired funds of service and will use it in the best interest of the community and district.

Let's see what's happening here.

KARATE CLINIC — Unfortunately, I was unable to attend the karate clinic held on

November 23rd and 24th at the F.G. Miller School. I am looking for comments on the clinic. If you have strong feelings about the clinic, either positive or negative, phone the Recreation Office at 724-4074 and enlighten me. Thanks!

BUS TRIP TO WEST EDMONTON MALL — The Heinsburg Community Club has chartered a bus to West Edmonton Mall for December 7th. The bus will stop at Heinsburg, Lindbergh, and Elk Point in the very early morning and return after the day's shopping spree. \$12.00 gets you on the bus. Phone Marie Zayac at 943-3913 or the Recreation Office at 724-4074 to register.

LEVEL I TECHNICAL GYMNASTICS CLINIC — On December 6th to 8th, there will be this Coaches' Clinic at the Elk Point Elementary School. This is an excellent opportunity for

parents to find out what gymnastics is all about. Registration fee is \$45.00. Phone 724-4074 to register.

ARMY CADETS — Vermilion Army Cadets is more than willing to let Elk Point operate a Satellite Cadet Program here in this area. We already have enough interested youths. What we do need, however, is adult leadership, preferable with some army background. Phone 724-4074 if interested.

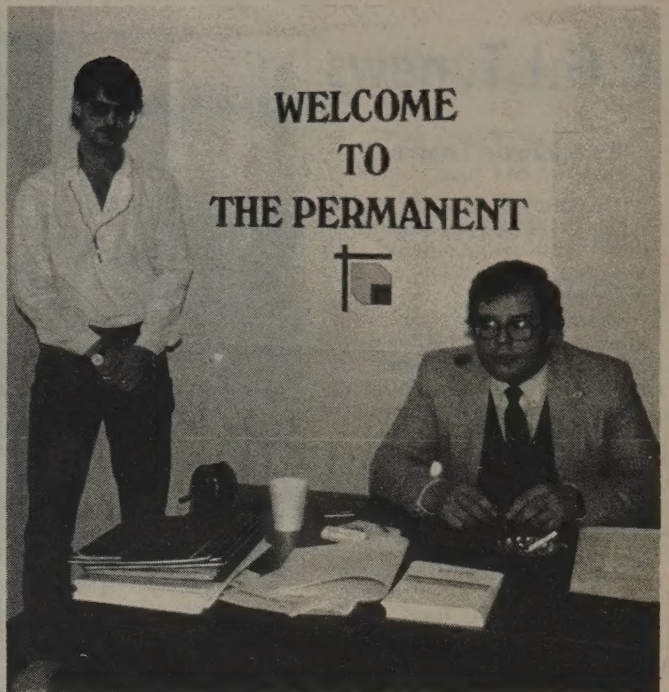

ADULT BADMINTON NIGHT — The Recreation Office is considering hosting an Adult Badminton Night after 9:30 p.m. one night per week. If you are interested phone the Recreation Office, (724-4074) leave your name, phone number, and suggestion for a preferred night.

Well, that's it for this week. Hopefully, everyone is surviving the cold weather and is remaining busy despite the damper it puts on things. Perhaps, you could find refuge in my office sometime. Drop by, introduce yourself, and tell me of your recreation concerns and I'll brew up a coffee or a hot chocolate to bring the circulation back to frostbitten fingers.

A special "thank you" goes out to Marge Carter who acted as my proxy on Dash 'n Splash, the Nov. 30th edition. Thanks for volunteering, Marge.

"Til next week...

"Schedule all your worrying for a specific half hour about the middle of the day. Then take a nap during this period."

NEW REALTORS — Louis Champagne (left) and Floyd Falcon of the Permanent Trust - affiliated JCF Home Realty started off their Elk Point business with an open house this weekend in the North Subdivision.

Hospital Auxiliary Christmas meeting

By Irene Magnusson

The Elk Point Hospital Auxiliary gathered November 25, 1985, in the usual meeting room at the hospital for their last meeting before the Christmas holidays. Eighteen ladies, members and guests, read the Auxiliary Prayer, and answered the roll call, at 8 p.m..

Minutes were read and moved for acceptance by sec. Agnes Moroziuk, and carried. Treasurer Violet McFadyen gave the financial report, listing several memorial donations received, sales in the canteen over the past month of over \$350, and stated that funds for the proposed electric wheelchair have reached a bit over the half-way mark. Donations to this project have slowed down lately, as other things come up, but it is noted that this is still a priority project with the Auxiliary, and anyone wishing to make a donation towards this very worthwhile purchase should contact any member of the Auxiliary.

The canteen has been selling well, it was reported; with more volunteer help, it has remained open more hours to serve the patients and staff better. Cigarettes will not be sold after supplies run out, in keeping with the non-smoking policy of the group.

Correspondence was read. No action is required on any of it.

Wasy Elashuk, President, reported someone has been contacted do make a pad for the rocking chair purchased earlier, and will also reupholster the walker. The pediatric ward is in need of a couple of baby walkers, and could use some toys. Motion to purchase these was carried. A cassette player is needed so there can be music while the exercise classes are held; this was agreed too, and the group will purchase same, along with some tapes.

Christmas tray favors have been purchased; these were on display. Money for tickets sold, and stubs, must be handed in by December 11. These are for the hand-hooked rug and cushion, which will be drawn for December 14th. Elsie Oraschuk is in charge of this project.

There has been some problem reported regarding the light the Aux. had intended to purchase. This will be put on hold until further information is received.

The wisdom of joining with the Canadian Assoc. of Hosp. Auxiliaries was discussed, with a motion that the delegates use their discretion after hearing the presentation on this at the upcoming Convention. Two delegates from Elk Point will be attending the Convention, which starts Wed. Nov. 27, in Edmonton.

Elashuk and McFadyen went

to the Regional Conference at Marwayne last week, Nov. 21st. A number of reports from other Auxiliaries were heard, namely Tofield, Glendon and St. Paul. Myrnam has a new hospital, but there was no time for the expected tour after the meeting, which was a disappointment.

Elashuk reported on the Teleconference held in the Elk Point Hospital October 30th, where other Auxiliaries were able to talk among themselves. Most gave reports of their group's activities, some suggestions and comments on how each ran their own local. Elashuk thought the program useful.

Diane Anderson, Director of Nursing in the hospital, gave a brief report. She will look into the cost and availability of the Hoya Lift, a proposed purchase. This is not required at present. She will also enquire regarding the infants light, as planned earlier. Last but not least, she extended an invitation from the Hospital Board for all auxiliary members to attend a supper in recognition of their services to the hospital, December 17th, in the Empress Cafe.

The next group of raffle prizes will feature a wall hanging as 2nd prize, rather than a cushion. Several rugs are being worked on, May Booth reported.

ONE OF THE MANY HAND-HOOKED RUGS — made for and raffled by the Elk Point Hospital Auxiliary, to raise funds for equipment and comforts for patients.

I. Magnusson

The next meeting will be in the new year, Jan. 27th, and as it will be a rag-tearing session, members are asked to come at 7 p.m.. The meeting was adjourned by the chair.

A delicious lunch was enjoyed, courtesy of the hospital kitchens, and gifts were exchanged, while a music box played a Christmas carol under the tiny lighted tree. Yes, it's getting more like Christmas every day.

Dewberry News Roundup

By Cliff Cunningham
Dewberry Correspondent

Dewberry, like all other towns, has trouble with vandalism. All of our traffic signs were knocked down on the night of November 18th or early morning of November 19th. I understand these signs cost around a thousand dollars with labor, and along comes somebody with a truck and wrecks them. Anyone that does a thing like that must be full of booze or dope. I would like to see some of this stunt driving stopped when children are coming to school.

Anyone that would like to go to Expo '86 in Vancouver next summer by train from Wainwright to Vancouver please let me know or phone Royal Travel at Lloydminster. The June Expo tour is all booked up. There are still some seats left for the August tour. I'm going on the August tour and looking for a roommate as it is much cheaper if two or more share the same room in a hotel or motel. George Paterson or Ellen Hviid are the coordinators in Lloydminster. My phone number is 847-3753.

Another oldtimer of Clandonald passed away on November 16th. Henry Schneider's funeral was on Tuesday, November 19th with a very

large crowd turning out at the St. Columba Roman Catholic Church in Clandonald with Father Marian Strankowski officiating. We are all in sympathy with his wife Eva, all of their family and relatives. Henry was well liked by everyone. I used to work for him when he ran a garage in Clandonald about thirty years or more ago, and never once did he give me hell for doing something wrong.

Hockey has started in Dewberry now. Dewberry Tom Thumbs played Vermilion Saturday, November 23rd. The score was Vermilion 7, Dewberry 0.

Rob Hyatt is staying with Ervin Garnier for the winter and maybe longer. Both Rob and Ervin are bachelors and they will be company for each other. Ervin Garnier has been in the University Hospital for a few days and is coming home today, November 24th. Hope you are feeling better, Ervin.

The Dewberry Lions Target Shoot and other games, also T.V. Raffle was held in the hall November 23rd with Bobby Isert winning the T.V.

Donald Maddex is in the Vermilion Health Care Complex, and Mrs. Ena Whiteside is still in Edmonton. We all wish you both the very best of luck.

I have some older news that I missed putting in the paper. Gertrude Blacklock went to Ottawa, Ontario some time ago and by all reports had a very nice trip. Neil Jones went by truck to Bowden to get our United Church minister's furniture and on the way back was in an accident, ending up in the ditch as some cattle got the end gate loose and started falling out of a trailer they were following. The truck was a write-off and Neil had to have seven stitches on his head.

Our weather has been cold this last week, Low 30 Below 0F, and High 2 above 0F with some light snow.

The next Dewberry School Reunion meeting will be December 5 at 8:00 p.m. in the Dewberry School. The Reunion date has been set for June 28 & 29, 1986 for all former teachers, students and their spouses. (1930 to present) Pre-registration required by April 30. This includes supper & dance & breakfast on Sunday.

Mr. & Mrs. Arthur Miller were recently joined by members of their family in the celebration of their Fiftieth Wedding Anniversary. Both Arthur and Mary (nee Anaka) were born in Andrew, Alberta. They were married on November 27, 1935 in Andrew and farmed in that area for 3 years.

In 1938 they moved to the Elk Point District where Arthur and Mary enjoyed the business of farming until 1973. They then retired

and moved to the Town of Elk Point which remains their current residence. Arthur is well-known for his contribution to the Elk Point Pioneer Circle where he held the position of President for 8 years.

Joining in the festivities were their children Sidney, Michael (Pat) of Edmonton, and Arlene (Joe) of Edmonton as well as their grandchildren.
